Amendment 1
Zigmantas Balčytis

Draft opinion
Paragraph 2 a (new)

Draft opinion

Amendment

2a. Points out that evaluation of the subsidiarity and proportionality principles must become part and parcel of the EU and its policy-making so as to allow proper assessment of EU added value and the usefulness and necessity of EU action;

Or. It

Amendment 2
Enrico Gasbarra

Draft opinion
Paragraph 6

Draft opinion

Amendment

6. Reiterates the call made in its above-mentioned resolution of 14 September 2011 for the use of national impact assessments as a complement to those carried out by the Commission in support of proposed legislation; believes that Parliament's recently created impact assessment units will offer a positive complement to the Commission's work;

6. Reiterates the call made in its above-mentioned resolution of 14 September 2011 for the use of national impact assessments as a complement to those carried out by the Commission – ***the reform of which is under discussion*** – in support of proposed legislation; believes that Parliament's recently created impact assessment units will offer a positive complement to the Commission's work;

Or. it

Amendment 3
Enrico Gasbarra

Draft opinion
Paragraph 8

Draft opinion

8. Asks the Commission, in compliance with the proportionality ***principle***, to simplify the procedure for applying for EU funds with a view to making the application procedure more efficient and results-oriented;

Amendment

8. Asks the Commission, in compliance with the proportionality ***and subsidiarity principles***, to simplify the procedure for applying for EU funds with a view to making the application procedure more efficient and results-oriented;

Or. it
