

WRITTEN QUESTION E-0852/08

by Jules Maaten (ALDE) and Karin Riis-Jørgensen (ALDE)
to the Commission

Subject: Internet censorship and the European Global Online Freedom Act

Follow-up questions to answers (E-5794/07) given by the European Commission on internet censorship:

1. Is the European Commission willing to develop a European Global Online Freedom Act?
2. Is the European Commission willing to invest 20 million euros in technologies able to develop and distribute anti-censorship tools and services which could help internet users breach electronic firewalls set up by China, Iran and other closed societies?
