

WRITTEN QUESTION E-0685/09  
by Esko Seppänen (GUE/NGL)  
to the Commission

Subject: Intervention buying

The EU has again initiated intervention buying of butter and milk powder. What type of products and how much of them does the EU have in its intervention stocks, and what is their value? What does the Commission propose to do with the wine in the stocks and how much EU funding is earmarked for disposing of intervention stocks of wine?
