

WRITTEN QUESTION E-2436/09
by Marie Panayotopoulos-Cassiotou (PPE-DE)
to the Commission

Subject: Inclusion of learning difficulties in the Community health programme (2008-2013)

Bearing in mind Decision No 1350/2007/EC¹ of the European Parliament and the Council of 23 October 2007 establishing a Programme of Community Action in the Field of Health for the period 2008-2013 and Written Declaration 64/2007 of the European Parliament (P6_TA(2007)0506) adopted on 12 November 2007, will the Commission say whether it intends to take actions and provide funding for research into and the promotion of the medical treatment of persons, in particular children, facing learning difficulties (dyslexia, dysphasia, dyspraxia, difficulties in concentrating, etc.)?
