Rule 130

José Blanco López (S&D)

Subject: European funding received by the Member States

As a newly elected Member sitting on Parliament's Committee on Regional Development, can the Commission provide me with information on the level of implementation of European funds for the period 2007-2013 in each individual Member State, stating in each case the amounts received from the Structural Funds (European Social Fund, European Regional Development Fund) and the Cohesion Fund, where appropriate, as well as the European Agricultural Fund for Rural Development, the European Fisheries Fund and any other EU cohesion programme? Can it also provide a regional breakdown of the figures corresponding to the amounts received and their level of implementation in the period 2007-2013?

With regard to the forthcoming programming period 2014-2020, can the Commission provide an estimate of the amounts earmarked for the Member States under the Structural Funds (European Social Fund, European Regional Development Fund) and the Cohesion Fund, where appropriate, as well as the European Agricultural Fund for Rural Development and the European Maritime and Fisheries Fund, along with the corresponding regional breakdown?
