

**Question for written answer E-006399/2014
to the Commission**

Rule 130

Beatrix von Storch (ECR)

Subject: Action in response to Resolution 2013/2183(INI) P7_TA(2014)0062

What measures has the Commission taken to carry out the action for the benefit of the LGBTI community called for in the European Parliament resolution of 4 February 2014 on the EU Roadmap against homophobia and discrimination on grounds of sexual orientation and gender identity (2013/2183(INI) P7_TA(2014)0062)?

By means of what measures is the Commission, in the action which it takes in response to these calls, avoiding an imbalance between the right not to be discriminated against and other fundamental rights?

How will the Commission ensure that the action taken in response to these calls does not interfere with national laws regulating the status of churches in the Member States?
