

**Question for written answer E-007227/2014
to the Commission**
Rule 130
Lorenzo Fontana (NI)

Subject: SWD (2013) 0138

The Fifth Annual Report on Immigration and Asylum (2013) includes a reference to the working document SWD (2013) 0138 final, entitled 'Climate change, environmental degradation, and migration'. After analysing this document, we would like the Commission to clarify the following points:

1. Who commissioned this working document?
2. How much did this document cost in terms of time and remuneration of the human resources involved?
