

**Question for written answer E-007679/2014
to the Commission**

Rule 130

Victor Negrescu (S&D)

Subject: Mobility of schoolchildren, students and professionals in Europe

How 'equivalent' are qualifications (for all academic cycles: early years, primary school, high school, university, postgraduate and professional) across Europe, what systems already exist, and what does the Commission plan for the future, to enable full mobility for schoolchildren, students and professionals in Europe?
