

Question for written answer E-007788/2014
to the Commission (Vice-President / High Representative)
Rule 130
Udo Voigt (NI)

Subject: VP/HR - Investigating the massacre in Eastern Ukraine

Does the High Representative intend, in the interest of human rights and the protection of people's lives, to join the effort to identify those responsible for the murder of some 400 civilians found in mass graves in Eastern Ukraine?

What action has the High Representative taken thus far to ensure that the irregular units financed by the billionaire Kolomoiski are being disarmed and taken into custody by the Ukrainian authorities?

Does the High Representative know whether and to what extent Israel, of which the oligarch Kolomoiski is a national, is involved in this struggle for the Don Basin with its valuable natural resources?
