to the Commission**

Rule 130

Marielle de Sarnez (ALDE)

Subject: Languages in which Commission DG Trade documents are published

In her answers to the Parliament questionnaire, Cecilia Malmström, the Commissioner-designate for International Trade, said that she wants to make EU proposals and decisions on trade more accessible and to engage with the general public and civil society throughout Europe. Both the majority of DG Trade publications and its website are available only in English, however.

Does the Commission intend to promote multilingualism within its DG Trade?
