

**Question for written answer E-008207/2014/rev.1
to the Commission**
Rule 130
Derek Vaughan (S&D)

Subject: New Norovirus standards under the Shellfish Hygiene Directive

1. How would any new standard align with and support the Maritime Affairs Blue Growth agenda?
2. How much would the new norovirus standards cost to implement, and who do you expect to bear this cost?
