

**Question for written answer E-008908/2014
to the Commission**
Rule 130
Ulla Tørnæs (ALDE)

Subject: Labour Mobility Package

In 2013, the former Commission presented a roadmap for a revision of Regulations (EC) Nos 883/2004 and 987/2009. Among other things, it included an initiative to remove the remaining obstacles to mobility, which is also known as the Labour Mobility Package.

These regulations have been amended several times to take into account developments at EU and Member State level and Court of Justice rulings. The Court of Justice is currently dealing with cases which may affect several Member States.

Could the Commission please provide detailed responses to the following questions:

1. Will it pursue the former Commission's roadmap for a revision of Regulations (EC) Nos 883/2004 and 987/2009?
2. When does it expect to present its take on the roadmap for a revision of Regulations (EC) Nos 883/2004 and 987/2009?
3. What concrete measures is it preparing to take regarding the revision of Regulations (EC) Nos 883/2004 and 987/2009 with a view to addressing the concerns in several Member States that the balance between free movement in the EU and the right to receive national welfare benefits is being disrupted?
