

**Question for written answer E-009697/2014  
to the Commission**

Rule 130

**Lola Sánchez Caldentey (GUE/NGL)**

Subject: Compatibility with EU guidelines on State aid for regional airports

According to the minutes of the plenary session of the Regional Assembly of Murcia, dated 8 February 2012, for the VIII Legislature, number 15 of the agenda (2<sup>nd</sup> meeting):

‘Appearance of the Minister for Regional Planning and Public Works for a progress report on construction works for the Murcia International Airport and putting it into operation’

Pages 703-705

In this session the question was raised of the terms under which the workforce of the Murcia/San Javier airport would pass to Corvera, given that the closure of San Javier would entail paying or otherwise compensating AENA in the amount of EUR 70 million for the works carried out with ERDF funding.

Furthermore, the business unit was considered as regards its workforce, including both direct workers from AENA and indirect personnel from concessionaires, and it was made clear that the Regional Government of Murcia is interested in protecting these jobs.

What measures does the Commission intend to adopt in relation to the systematic breach of this undertaking?
