

**Question for written answer E-009750/2014
to the Commission**
Rule 130
Jørn Dohrmann (ECR)

Subject: Road safety

According to the statistics, more than 26 000 people are still killed on our roads every year, and many more suffer horrific injuries from road traffic accidents.

What actions is the Commission proposing to tackle this problem, which causes enormous pain to European families?
