Subject: VP/HR - Role of women in the field of security and defence

Given that the 25th anniversary of the passing of UN Security Council Resolution 1325 on women, peace and security will fall in 2015;

1. What is its assessment of the implementation of that Resolution in the peace and security missions and actions in which the European Union has taken part through its Common Security and Defence Policy?
2. What steps have been taken in its sphere of responsibility to empower women as a key element in conflict resolution and prevention and in the construction of stable, peaceful, democratic institutions in the countries where the European Union operates?
3. Are there any examples of good practice in this respect?
