

**Question for written answer E-010328/2014  
to the Commission**  
Rule 130  
**Roberta Metsola (PPE)**

Subject: Early school leavers

The Member States have committed to reducing the average share of early school leavers to less than 10 % by 2020.

Can the Commission provide information as to whether the problem of early school leaving in relation to employment was discussed at the latest employment summit, held in Milan?
