

**Question for written answer E-010718/2014
to the Commission**

Rule 130

Patrick Le Hyaric (GUE/NGL)

Subject: LuxLeaks2

New revelations about the large-scale tax optimisation scheme applied in Luxembourg once again point the finger at the Commission President, Mr Juncker, during his time as Prime Minister. 'LuxLeaks2' has shed light on US firms Skype, Walt Disney and Koch Industries, owned by the ultra-conservative Koch brothers.

1. Does the Commission have any information about the companies which benefited from the tax optimisation scheme in place in Luxembourg?
2. Could the Commission provide a list of the companies in question?
