Subject: European funding for the cities of Cáceres, Badajoz and Mérida

Since Spain became a member of the European Union, it has benefited from Community solidarity as one of the main recipients of the Structural Funds and Cohesion Fund.

Following on from my Question E-005993/14:

1. Can the Commission provide a breakdown by multiannual funding period of the portion of European funds received by the cities of Cáceres, Badajoz and Mérida since Spain joined the EU in 1986?
2. Can the Commission provide an estimate of the European solidarity funds that these cities will receive during the forthcoming 2014-2020 programming period?
3. What are the projects that have been or will be funded or co-funded by the EU?
