Subject: Cut and puncture wounds in the hospital and healthcare sector

In 2010 the European Parliament passed a resolution relating to Council Directive 2010/32/EU implementing the Framework Agreement on prevention from sharp injuries in the hospital and healthcare sector concluded by HOSPEEM and FSESP.

In the light of the text of the resolution, can the Commission state:

1. Is the Agreement fully implemented and, if so, what have been the results?
2. Does the Commission intend to follow this Agreement up with legislation?
3. Is further action planned to guarantee occupational safety and sterile working conditions in the hospital and healthcare sector?
