

**Question for written answer E-011094/2014
to the Commission**
Rule 130
Sorin Moisă (S&D)

Subject: Support for start-ups in 2015

Can the Commission enumerate the support programmes – public, private or both – that will be available to start-ups across the EU in 2015? I would appreciate a list of actual programmes as opposed to one of good intentions or generalities.
