

**Question for written answer E-011178/2014
to the Commission**
Rule 130
Francesc Gambús (PPE)

Subject: Roadmap for industry

A few days ago, Commissioner Bienkowska announced a roadmap for industry in the European Union. Given the need to reindustrialise Europe in order to lay the foundations for economic growth and create added-value jobs, the applicant is interested to know:

1. What lines of work will the Commission be pursuing in the roadmap for industry?
2. What schedule does the Commission envisage for the development of this roadmap?
