

**Question for written answer E-000155/2015  
to the Commission**

Rule 130

**José Blanco López (S&D)**

Subject: European funding for the Galician cities of Ourense, Santiago de Compostela, Lugo, Pontevedra and Ferrol

Since Spain joined the European Union, Spain and Galicia have profited from Community solidarity as they are among the key beneficiaries of the Structural Funds and the Cohesion Fund.

Further to my question E-005993/2014 on the subject of Galicia:

1. Could the Commission provide, for each multiannual financial period, a breakdown of how much money has been given to the cities of Ourense, Santiago de Compostela, Lugo, Pontevedra and Ferrol of the over EUR 20 billion of European funding my region has received since Spain joined the EU in 1986?
2. Could it furthermore give an estimate of the amounts each of these cities will receive from European solidarity funds during the next programming period (2014-2020)?
3. Which projects have been and will be awarded financing or co-financing from the EU?
