to the Commission**
Rule 130
Viorica Dăncilă (S&D)

Subject: People in poverty

40 million people are living in hunger and poverty in Europe, while a further 80 million are in a vulnerable situation and liable to fall into hunger and poverty.

Roughly a billion people around the world face hunger on a daily basis.

Given that the world population is set to reach the 10 billion mark in 2050, can the Commission state whether it is planning to launch any programmes in support of these people, bearing in mind that the right to food is a fundamental right?
