

**Question for written answer E-000904/2015
to the Commission**

Rule 130

Norica Nicolai (ALDE) and Mircea Diaconu (ALDE)

Subject: Access to cooperation and verification mechanism

The Commission publishes bi-annual progress reports on Romania and Bulgaria, under the cooperation and verification mechanism (CVM).

Given that the content of the reports is often leaked to the media some time before the texts are made public, could the Commission answer the following:

1. How is it possible that the sensitive information in the reports be leaked to the media before the texts are made public?
2. Which European civil servants have prior access to these documents?
