to the Commission**  
Rule 130  
**Nessa Childers (S&D)**

Subject: Investor-state dispute settlement - legal fee payments

Is the Commission in possession of comprehensive statistical data pertaining to the outcomes of investor-state arbitration procedures, in particular as regards the ratio of decisions whereby the payment of legal fees was assigned to the investor party versus the state party? Is it also in possession of statistical data on how this ratio compares to the substantive outcomes of the decisions for either type of party?
