Subject: Costs of EU advertising/editorials publications aimed at MEPs

The EU produces/funds a number of publications or places editorials within publications whose target audience are MEPs and assistants; examples of such publications are European Voice, New Europe etc. such publications are regularly delivered to the offices of all 700+ MEPs.

1. What is the cost of EU advertising/editorials in magazines primarily aimed at MEPs, broken down by publication and taking into consideration any additional costs including production, advertising, distribution etc. of these publications/editorials?
2. Specifically, what are the costs of EU advertising/editorials in European Voice, New Europe, Debating Europe and The Parliament publications?
