

**Question for written answer E-001712/2015
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Co-financing by European Funds in the Autonomous Community of Cantabria

Further to my question E-005993/2014 regarding the structural and cohesion funds received by the Autonomous Community of Cantabria over the last financial period,

Can the Commission provide data regarding the Community funding 'lost' or not used as a result of the lack of co-financing by the public authorities during that period 2007-2013, with a breakdown of the amounts by the type of structural fund (European Social Fund, European Regional Development Fund) and, where appropriate, the Cohesion Fund, as well as those from the European Agricultural Fund for Rural Development, the European Fisheries Fund and any other EU cohesion programme?
