Subject: Outstanding European funds in the Autonomous Community of Cantabria

Further to my question E-005993/14 on the structural and cohesion funds received by the Autonomous Community of Cantabria over the last financial year, is the Commission able to provide information regarding the amounts unpaid by the Community authorities and give a breakdown of the projects affected and the amounts due from each of the structural funds (European Social Fund, European Regional Development Fund) and, where appropriate, the Cohesion Fund, as well as those due from the European Agricultural Fund for Rural Development, the European Fisheries Fund and any other EU cohesion programme?
