

**Question for written answer E-001753/2015
to the Commission**
Rule 130
Therese Comodini Cachia (PPE)

Subject: Innovation Union

The EU strategic approach to innovation, and more specifically the initiative Innovation Union, indicates the need for European external policy to promote scientific cooperation and international research strategies.

1. What measures has the Commission initiated in this respect?
2. What cooperation agreements has the Commission concluded with third countries since 2010?
3. What joint cooperation projects have the current cooperation agreements given rise to?
