to the Commission**
Rule 130
Nessa Childers (S&D)

Subject: Future audit and accountancy consultant services to the Commission

Is the Commission of the view that information currently available in the public domain indicates such conflicts of interest as to justify a cessation of procurement of consulting services from audit and accountancy firms known to offer tax planning services?

Does the Commission intend to do so, for the purposes of obtaining expertise in the fields of taxation and accounting and beyond?
