Subject: Work Programme of the European Commission for 2015

During the plenary session of the European Parliament held in Strasbourg on 16 December 2014, the European Commission presented its Work Programme for 2015, outlining the measures it intends to implement over the course of this year.

On presenting the 2015 Work Programme, the Commission stated that it would be producing a roadmap for each of the 23 proposals included therein, to provide further details and information relating to timings for implementation of the new legislation.

On 26 February 2015, the Commission presented its roadmap for the Energy Union dossier only.

In light of this:

1. When does the Commission intend to publish the roadmaps for the remaining 22 proposals included in the 2015 Work Programme?
2. In particular, is it able to provide precise dates for publication of the roadmaps for the 'A connected digital single market' and 'A European agenda on migration' packages?
