Subject: VP/HR - EU sponsorship of Masters courses in Sri Lanka

In January 2015 the Head of the EU Delegation to the Maldives David Daly attended the inauguration of Masters Degree courses in Human Rights and Democratisation at the University of Colombo.

1. Could the High Representative state whether this Masters programme is receiving EU funding?
2. Could she inform us of the reason for the Head of the Delegation to the Maldives' presence on that occasion and its political importance to the EU?
