to the Commission**

Rule 130

Javier Couso Permuy (GUE/NGL)

Subject: Albania's integration into the 'community of democratic nations'

In relation to Albania, the EU's Stabilisation and Association process sets out to promote 'full integration of Albania into the community of democratic nations'.

What tools are being used to measure how that integration is progressing?

What is Albania's current level of integration into the 'community of democratic nations'?
