

**Question for written answer E-003140/2015/rev.1
to the Commission**

Rule 130

Javier Couso Permuy (GUE/NGL)

Subject: Integration of the Former Yugoslav Republic of Macedonia (FYROM) into the 'community of democratic nations'

In relation to the FYROM, the EU's Stabilisation and Association process sets out to promote 'full integration of the Former Yugoslav Republic of Macedonia into the community of democratic nations'.

What tools are being used to measure how that integration is progressing?

What is the FYROM's current level of integration into the 'community of democratic nations'?
