

**Question for written answer E-003604/2015
to the Commission**

Rule 130

Doru-Claudian Frunzuliță (S&D)

Subject: Role of the Kurds in the fight against Islamic State/Daesh

The Kurds played a fundamental role in reconquering the city of Kobane from ISIS/Daesh. Nevertheless the Turkish Government still enforces an embargo against the Kurds from Syria.

Is the Commission willing to start talks with the Turkish Government with the aim of re-establishing a corridor that can bring supplies to the Syrian kurds?
