

**Question for written answer E-003818/2015
to the Commission**
Rule 130
Ivan Jakovčić (ALDE)

Subject: War suspects in BiH

The US has decided to deport 150 persons suspected of war crimes in Bosnia and Herzegovina.

It is known that Bosnia and Herzegovina has experienced the greatest tragedy during the recent war in the Balkans, and it is today a potential candidate for EU membership.

I ask the Commission in what way it participates in tracking down possible war criminals in Europe, and especially in non-European countries?
