

**Question for written answer E-003966/2015
to the Commission**

Rule 130

Gabriel Mato (PPE) and Carlos Iturgaiz (PPE)

Subject: Combating doping in recreational sport

In 2012 the Member States agreed on various initiatives to intensify the fight against doping in recreational sport. They were of the view that this problem is growing and that action must be taken to protect the health of people who practise sport and the integrity of the recreational sport environment.

What educational programmes, information campaigns or other preventive measures has the Commission set in motion since then to combat doping in recreational sport?

What projects, guidelines and common rules have been put forward?
