

**Question for written answer E-004389/2015
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Endometriosis

In its answer to my question E-001955/2015, the Commission answered two of the three questions asked, but not the third. It asked the Commission to provide information about the resources earmarked for meeting the targets outlined in Parliament's statement on endometriosis.

Therefore, could the Commission answer this question?
