Subject: EU police mission for the Palestinian territories (EUPOL COPPS)

On 14 November 2005 the Council established an EU police mission for the Palestinian territories (EUPOL COPPS) under the EU Common Security and Defence Policy (CSDP). On 9 July 2014 the Council of the EU decided to extend the mission's mandate until 30 June 2015.

Can the Council provide a description of the successes of this mission since 2006?

Does it believe that by 30 June 2015 the EU police mission will have successfully accomplished the aims it set out to achieve when it began on 1 January 2006?

If the aims are not expected to have been achieved by 30 June 2015, will the mission be extended once again?
