Subject: Addendum - Commission body to support Member States in the absorption of the Cohesion Policy Funds

From reply E-000871/2015 of Ms. Crețu on behalf of the Commission (17/03/2015) it follows that eight countries are included in the special measures undertaken through the TFBI (Task Force for Better Implementation, or group for flexible action), with a view to enhancing the absorption of cohesion policy funds. Commissioner Crețu will visit these countries to discuss the results achieved by her colleagues working in these areas.

Please provide a written answer as to which eight Member States are involved in this procedure.
