to the Commission**

Rule 130

Gabriel Mato (PPE) and Carlos Iturgaiz (PPE)

Subject: Support for the cultural sector in view of the digital switchover

Digital technology is having a huge impact on the creation and dissemination of culture and access to it. It is causing significant changes in the cultural sector which affect all areas of work, from creation to distribution and dissemination.

What contribution is the Commission making to help the sectors concerned benefit from the opportunities generated by the digital switchover?

How is the Commission supporting the change that many of these sectors have had to implement in their work, in order to adapt to the new reality?
