to the Commission**

Rule 130

**Gabriel Mato (PPE) and Carlos Iturgaiz (PPE)**

Subject: Development of good management of our maritime space

Several months ago, the European Union adopted the directive allowing Europe to progress the planning of its maritime space.

The Member States have until 2021 to transpose and develop these regulations in its respective legislation, but in the meantime it is important that the EU continues working to guarantee good management of our maritime space.

What measures is the Commission applying to progress the priorities stated in the directive?

What are the priorities going to be in this respect?
