According to its responses to Written Questions E-008102/14, E-007850/14 and E-007851/14, the Commission 'strives to be representative of the increasingly diverse European citizens it serves'.

How does the European Maritime Safety Agency (EMSA) think it is currently doing in having a workforce that is representative of EU citizens?

What additional steps could EMSA take to be more representative of such citizens?
