

**Question for written answer E-005953/2015
to the Commission**

Rule 130

Ramon Tremosa i Balcells (ALDE)

Subject: Compliance checks of the 3rd Energy Package Directives (especially Directive 2009/73/EC)

With reference to Written Question E-009465/2014 on compliance checks of the 3rd Energy Package Directives (especially Directive 2009/73/EC), the Commission replied as follows: 'The Commission is currently conducting compliance checks of the 3rd Energy Package Directives (notably Directive 2009/73/EC referred to by the Honourable Member) to ensure full transposition in the Member States.'

1. Has the Commission now concluded its compliance checks with respect to Spain?
2. If so, what conclusions has it reached?
