Subject: Outstanding European funding in Aragon

Further to my written question E-005993/2014 on the structural and cohesion funding received by Aragon during the 2007-2013 financial programming period, could the Commission provide information on the amounts yet to be paid out by the EU, stating the projects concerned and the amounts, with a breakdown by type of structural funding (European Social Fund, European Regional Development Fund) and, where applicable, of cohesion funding, along with the amounts for the European Agricultural Fund for Rural Development, the European Fisheries Fund and any other EU cohesion programmes?
