Subject: European Railway Agency's efforts to be representative of the citizens of Europe

In its responses to Written Questions E-008102/14, E-007850/14 and E-007851/14, the Commission stated that it 'strives to be representative of the increasingly diverse European citizens it serves'.

Does the Commission's view mirror that of the European Railway Agency (ERA)?

Could the European Foundation for the ERA provide 10 examples of this striving in practice?
