

**Question for written answer E-006324/2015
to the Commission**
Rule 130
José Blanco López (S&D)

Subject: RDP

In its answer to Written Question E-002827/2015, the Commission said that it made comments on Galicia's Rural Development Programme 'in late October and early November 2014' and that the Spanish authorities 'have not yet presented a new version of these programmes'.

Given that it also said that approval of the programmes 'depends' on the 'date and quality' of the responses of the Spanish authorities to these comments, what comments has the Commission made on Galicia's PDR? What are or could be the implications of the delay in responding to these comments, and specifically could funding be lost? What is the deadline for communicating the new version?
