

**Question for written answer E-006385/2015
to the Commission**
Rule 130
Ivan Jakovčić (ALDE)

Subject: Multiculturalism and small communities

In many Member States multiculturalism and tolerance in smaller communities have been brought into question because of economic or other migration.

What mechanisms does the Commission intend to employ for more effective action in such cases?

What good examples of multiculturalism and tolerance in smaller centres can the Commission provide?
