

**Question for written answer E-007612/2015
to the Commission**
Rule 130
Ivan Jakovčić (ALDE)

Subject: Limiting the maximum level of penalty interest rates

Have the competent EU institutions set a maximum level limiting penalty interest rates for citizens and the economies of the Member States?

Does the Commission have information about how the level of penalty interest rates was limited in different Member States and what ceiling amounts were set?
