Subject: EU funds paid to Croatia for 2014, addendum

I thank Vice-President Georgieva for her response given in Reply E-001809/2015. Further to her reply that final consolidated data about net payments to Croatia and the other Member States will be published in a financial report in July 2015, I call on the Commission to answer, after the said time limit, the following question:

How much net EU funding was disbursed to Croatia for 2014 in relation to funds that Croatia paid into the EU budget in that year?
